Name	Data stored	Purpose	Expires
SID LOGIN_INFO use_hotbox PREF SSID HSID watched_video_id_list __utma __utmz Demographics VISITOR_INFO1_LIVE	Various unique identifiers, as well as login information that may relate to a Google account.	Google set a number of cookies on any page that includes a Youtube video. While we have no control over the cookies set by Google, they appear to include a mixture of pieces of information to measure the number and behaviour of Youtube users, including information that links your visits to our website with your Google account if you are signed in to one. Information about your use of our website, including your IP address, may be transmitted to Google and stored on servers in the United States. This cookie does not identify you personally unless you are logged into Google, in which case it is linked to your Google account.	Most of the cookies expire 10 years after your last visit to a page containing a Youtube video, although some expire sooner.

Name	Data stored	Purpose	Expires
__utma __utmb __utmc __utmv __utmz	A random unique number or string of letters and numbers to identify your browser, the times and dates that you interacted with the site recently and the marketing materials or referring pages that led you to the site.	Google Analytics is a web analytics service provided by Google, Inc. ("Google"), to help us see how our website is used. In doing so information about your use of our website, including your IP address, may be transmitted to Google and stored on servers in the United States. The data collected by Google Analytics is used to analyse how frequently the same people revisit the website, how the website is found (from advertising or referring websites), and which pages are most frequently viewed. This information is combined with data from thousands of other users to create an overall picture of website use, and is never identified individually or personally and is not linked to any other information we store about you.	The longest lasting cookie expires 2 years after your last visit to the website. Others are deleted after either 6 months, 30 minutes or the moment you close your browser.
